2018-08-30 Kofi Annan

FAFICS would like to pay tribute to the lifetime work of Kofi Annan as an international civil servant. In the words of the current UN Secretary-General Antonio Guterres “He provided people everywhere with a space for dialogue, a place for problem-solving and a path to a better world. In these turbulent and trying times, he never stopped working to give life to the values of the United

Nations Charter. His legacy will remain a true inspiration for all us.”

We would like to share a tribute received from Dr Michael ATCHIA, Secretary general of AFICS-Mauritius, ["THE PASSING of a GLOBAL STATESMAN"](#)
