Subject: Request for inclusion of AFICS Peru's proposal on issuance of ID Cards for UNJSPF pensioners in the list of themes for discussion in the July 's event in Vienna.

Dear Jerry Barton,

First of all, we would like to thank you for your kind attention to our questions and answers stated in our last meeting on Thursday, the 15th, with our colleagues from AFICS LAC.

From AFICS Peru (AEFNUP), as a current member of the FAFICS, we would like to request your kind consideration **to include our Proposal on the issuance of standardized Identification Document (ID) Cards** in the list of themes/matters to be discussed at the event to take place in Vienna, next 18th July. As discussed and agreed in our meeting with you and representatives from AFICS LAC, we believe this matter proposed by our Association is of interest to all UNJSPF beneficiaries around the world.

On April 21 this year, we sent a letter to UNJSPF (with copy to FAFICS Secretariat) on this matter but, to date, we have not received any response yet. We think that the way to concretize the issuance of standard ID Cards for UNJSPF pensioners is through a UNJSPF 's Board Resolution/Directive as a result from its coordination with the representative of the UN Secretary General on the Board, and then to be implemented broadly through UN Coordination Offices in all countries, allowing UNDSS to print these ID cards (as currently they do not have any mandate to do so).

This suggested procedure is also described in our proposal (copy attached).

Finally, we would like **you to support this initiative and represent us, taking the leadership on the issuance of standardized ID cards for all UNJSPF pensioners**. Your coordination and advocacy efforts with UNJSPF Chief Executive, Mrs. Rosemarie Mc Clean, will be highly appreciated.

Please find enclosed the following documents:

- i) Proposal on the issuance of ID Cards for UNJSPF beneficiaries.
- ii) Copy of the letter sent to UNJSPF Mrs. Rosemarie McClean on April 21, 2025.
- iii) Question from AFICS Perú to the panel members as per the form received.

With our best consideration and esteem,

Carlos del Castillo Balmaceda
President AEFNUP (AFICS) Perú
